SCOPE OF WORK

The City of Phoenix is seeking a qualified contractor to provide construction services for the project listed below.

The project consists of the construction of a concrete taxiway connector which ties the existing Taxiway A to a future aircraft parking apron at Phoenix Goodyear Airport. Work consists of base bid for scope and four bid alternates.

Base bid scope of work shall include, but not be limited to paving approximately 11,085 SY of 17" thick Portland Cement Concrete Pavement and a 4" thick asphalt concrete shoulder, both with base course materials; installation of a concrete storm drainpipe under the pavement, and the relocation of a Surface Weather Station to a location approximately 4,000 feet away, connected by an underground duct bank. Included will be the installation of a duct bank and conduit system for taxiway edge lights and connection to the existing airfield lighting system and a 70-foot-tall apron light pole.

This is a federal-aid project. The prevailing basic hourly wage rates and fringe benefit payments, as determined by the Secretary of Labor pursuant to the provisions of the Davis-Bacon Act, shall be the minimum wages paid to the described classes of laborers and mechanics employed or working on the site to perform the contract.

This project will utilize federal funds and is subject to the requirements of 49 Code of Federal Regulations Part 26 and the U.S. Department of Transportation DBE Program.

No Disadvantaged Business Enterprise goal has been established for this project.

The City of Phoenix, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252.42 U.S.C. §§ 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

PRE-BID MEETING

A pre-bid meeting will be held on Friday, March 17, 2023, at 10:00 a.m., at Phoenix Sky Harbor International Airport Facilities & Services Building, 2nd Floor Conference Rooms A & B, located at 2515 E. Buckeye Road, Phoenix, Arizona. At this meeting, staff will discuss the scope of work, general contract issues and respond to questions from the attendees. As City staff will not be available to respond to individual inquiries regarding the project scope outside of this pre-bid meeting, it is strongly recommended that interested firms send a representative to the pre-bid meeting.
